

# Call for Paper

**2025**  
**7<sup>th</sup> ICNMM**

2025 7th International Conference on  
**NANOMATERIALS, MATERIALS AND  
MANUFACTURING ENGINEERING**

Okinawa, Japan

November 16-19, 2025

Website: <https://www.icnmm.org/>

## Submission Requirements

- ★ Minimum length(Full Papers) required: 6 pages
- ★ All submitted articles(Full Papers) should report original, previously unpublished research results, experimental or theoretical.
- ★ Articles(Full Papers) submitted to the conference must not be under consideration for publication elsewhere.
- ★ Plagiarism is a serious professional misconduct. All submissions will be screened for plagiarism and when identified, the submissions will be rejected.

## Publication

- ★ Accepted and registered papers with presentation will be published in below listed journals of Scientific.Net collection. Papers will be sent for indexing by Scopus, Inspec, Chemical Abstracts Service, Google Scholar etc.
- ★ The publisher will check every paper during pre-production procedure. Your paper will be published in either one of the below journals according to your paper. topic.

- ★ November 19, 2025 (Wednesday)  
Technical Visit

## Topics

The conference is soliciting state-of-the-art research papers in the following areas of interest:

### Material Science and Engineering

Composites  
Micro / Nano Materials  
Steel and Iron  
Ceramic

### Mechanical and Manufacturing Engineering

Mechanical and Materials Engineering  
Aerodynamics  
Aerospace Systems and Technology  
Alternative energy

## Conference Committee

### Conference Chairs

Prof. Ninshu Ma, The University of Osaka, Japan  
Prof. Guangxu Cheng, Xi'an JiaoTong University, China  
Prof. Yong Bai, Zhejiang University, China  
Prof. Changjiu Li, Xi'an JiaoTong University, China

### Program Committee Chairs

Prof. Dean Deng, Chongqing University, China  
Prof. Liqun Li, Harbin Institute of Technology, China  
Prof. Fenggui Lu, Shanghai Jiao Tong University, China

### Program Committee Co-Chairs

Prof. Yunwu Ma, Shanghai Jiao Tong University, China  
Prof. Peihao Ggeng, Shanghai Jiao Tong University, China  
Prof. Jiangchao Wang, Huazhong University of Science and Technology, China

Prof. Hui Huang, Shanghai Jiao Tong University, China

### Organizing Committee

Dr. Wenjia Huang, The University of Osaka  
Dr. Weihao Li, The University of Osaka, Japan  
Prof. Qian Wang, Harbin Institute of Technology, China  
Prof. Shengdong Ren, Zhejiang University of Technology, China  
Dr. Zhongyuan Feng, Xinjiang TBEA Group, China  
Dr. Song Wu, East Electric Power Co., China

- **Location:** Motobu
- **Great for:** Swimming & relaxation

ICNMM will bring together the top researchers from Asian Pacific nations, North America, Europe and around the world to exchange their research results and address open issues in biomaterials, biomedical manufacturing, casting and solidification, characterisation, coatings and surface engineering, composite materials, etc. and address academic/industrial issues in welding, joining, additive manufacturing. It is one of the leading international conferences for presenting novel and fundamental advances in the fields of nanomaterials, materials and manufacturing engineering.
